

CAMPAIGN FOR AN ANIMAL ABUSER REGISTER

Please sign the petition for an
Animal Abuser Register on

www.caar-uk.org

Animal abusers often abuse children
and vulnerable adults.

Sometimes they go on to murder, as
did Ian Brady and others.

Shockingly, there is no national
Register to keep track of animal
abusers, even in the worst cruelty
cases. Please help.

If you care about a safer community,
please sign the petition.
