

# CAMPAIGN FOR AN ANIMAL ABUSER REGISTER

Please sign the petition for an  
Animal Abuser Register on

Animal abusers often abuse children  
and vulnerable adults.

Sometimes they go on to murder, as  
did Ian Brady and others.

Shockingly, there is no national  
Register to keep track of animal  
abusers, even in the worst cruelty  
cases. Please help.

If you care about a safer community,  
please sign the petition.
